Virginia is the Northernmost right-to-work
state and has very low unionization rates.

We're a Certified Work Ready Region.

VGA's 3.4 million acres of commercially
productive woodland provides easy
access to high quality lumber.

The large number of companies using wood and
wood byproducts adds to your bottom line - either
by using others' byproducts, or by selling your own.

**Active reforestation program
protects future business.**

Our pro-business environment, skilled workforce
and robust, scalable infrastructure make VGA the
perfect location for your company.

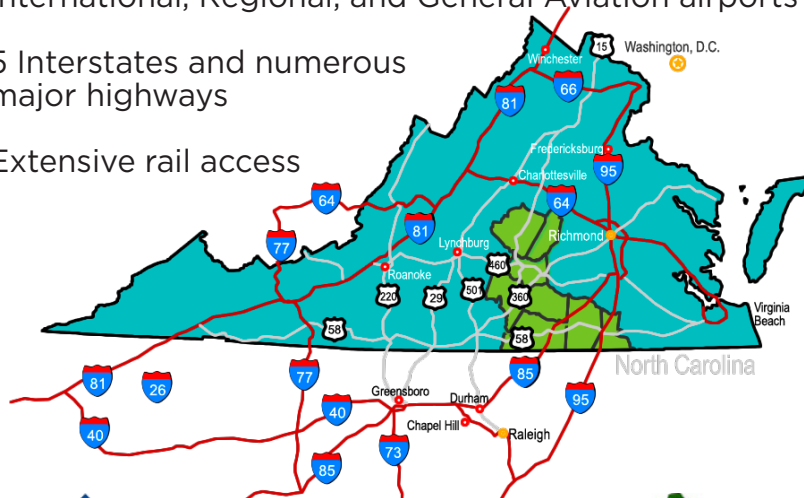

**Convenient access to world markets by
Air, Land, and Sea**

1 hour from the Port of Virginia, which has the largest
cranes in the United States

International, Regional, and General Aviation airports

5 Interstates and numerous
major highways

Extensive rail access

Virginia's Growth Alliance is centrally positioned along the eastern seaboard of the United States.

Close proximity to several major metropolitan areas.

Within a day's drive of almost 2/3 of the US population.

Four international airports are within a 90-minute drive of VGA.

The Port of Virginia is the 3rd largest container port on the US East Coast. It's located about an hour East of VGA and easily accessible via road or rail.

MAREA Transatlantic Subsea Cable

Record data transfer speed of 26.2 Tbps, connects Virginia Beach to Bilbao, Spain.

Interstate 95 is the major north-south corridor on the East coast, connecting major metropolitan areas such as Miami, Washington D.C., New York City and Boston.
